For:	LOG ACQUISITION AND ITS CONTROL PROGRAM AND STORAGE MEDIUM		

PETITION FOR RECONSIDERATION OF PATENT TERM ADJUSTMENT

Mail Stop **Petitions**
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants hereby petition for reconsideration of the July 10, 2008 Determination of Patent Term Adjustment under 35 U.S.C. §154(b).

In accordance with to 37 C.F.R. §1.705(b), applicants submit herewith 1) a statement of the facts involved and 2) the fee set forth in 37 C.F.R. §1.18(e).

STATEMENT OF FACTS

On March 31, 2004, the subject application was filed in the U.S. Patent & Trademark Office (USPTO), thus qualifying for Patent Term Adjustment (PTA) under 35 U.S.C. §154. The instant application is not currently subject to a terminal disclaimer.

On February 26, 2008, the USPTO mailed a first Office Action (i.e. Non-Final Rejection), whereby the instant application accrued a PTA of **1001 days** due to delays attributable to the USPTO under 37 CFR §1.703(a)(1).

On Monday, May 27, 2008, Applicants filed in the USPTO a Response to the Non-Final Rejection. See **EXHIBIT A**: Electronic Acknowledgement Receipt.

On July 10, 2008, the USPTO mailed a “Notice of Allowance and Issue Fee(s) Due” along with a “Determination of Patent Term Adjustment under 35 U.S.C. 154 (b)”, whereby a PTA of 1000 days was indicated.

Patent Term Adjustments, as calculated by the USPTO, show that a **1 day** PTA reduction was applied, due to Applicants’ delay in filing the May 27, 2008 Response. See **EXHIBIT B: “Patent Term Adjustment History”** retrieved by Applicants from PAIR on July 10, 2008.

Applicants respectfully assert that in accordance with current USPTO guidelines, as set forth in MPEP §710.05, the Response to the Non-Final Rejection, filed on Monday, May 27, 2008, was within the shortened statutory period for reply set forth in the Non-Final Rejection and should be considered timely. More specifically, the MPEP provides that “[w]hen the day, or the last day fixed by statute or by or under this part for taking any action or paying any fee in the United States Patent and Trademark Office falls on Saturday, Sunday, or on a Federal holiday within the District of Columbia, the action may be taken, or the fee paid, on the next succeeding business day which is not a Saturday, Sunday, or a Federal holiday.” (MPEP §710.05). Accordingly, the 1 day PTA reduction is improper.

In view of the above, this Petition for reconsideration of the PTA is believed to be properly submitted under 37 C.F.R. §1.705(d). Accordingly, Applicants respectfully submit (1) that there are no circumstances attributable to Applicants that constitute a failure to engage in reasonable efforts to conclude prosecution (processing or examination) of the application as set forth in 37 C.F.R. §1.704, (2) that this patent application is properly entitled to the originally indicated PTA of 1001 days, and (3) that the 1001 days PTA should be reinstated, which action is hereby requested.

CONCLUSION

In considering the evidence as supported by the attached Exhibits A and B, Applicants respectfully request reconsideration of the Patent Term Adjustment and request that the instant application be accorded a **Patent Term Adjustment of 1001 days.**

AUTHORIZATION

The Commissioner is hereby authorized to charge the requisite fee set forth in 37 C.F.R. §1.18(e) and any additional fees that may be required for consideration of this Petition to Deposit Account No. **13-4500**, Order No. 1232-5364. A DUPLICATE OF THIS DOCUMENT IS ATTACHED.

Dated: July 28, 2008

Respectfully submitted,
MORGAN & FINNEGAN, L.L.P.

This Acknowledgement Receipt evidences receipt on the noted date by the USPTO of the indicated documents, characterized by the applicant, and including page counts, where applicable. It serves as evidence of receipt similar to a Post Card, as described in MPEP 503.

New Applications Under 35 U.S.C. 111

If a new application is being filed and the application includes the necessary components for a filing date (see 37 CFR 1.53(b)-(d) and MPEP 506), a Filing Receipt (37 CFR 1.54) will be issued in due course and the date shown on this Acknowledgement Receipt will establish the filing date of the application.

National Stage of an International Application under 35 U.S.C. 371

If a timely submission to enter the national stage of an international application is compliant with the conditions of 35 U.S.C. 371 and other applicable requirements a Form PCT/DO/EO/903 indicating acceptance of the application as a national stage submission under 35 U.S.C. 371 will be issued in addition to the Filing Receipt, in due course.

New International Application Filed with the USPTO as a Receiving Office

If a new international application is being filed and the international application includes the necessary components for an international filing date (see PCT Article 11 and MPEP 1810), a Notification of the International Application Number and of the International Filing Date (Form PCT/RO/105) will be issued in due course, subject to prescriptions concerning national security, and the date shown on this Acknowledgement Receipt will establish the international filing date of the application.
